

Building A Community - One Leader at a Time!

“Building a Community – One Leader at a Time! is an Assembly presented to a large audience of children (and parents too) with a uniqueness that truly makes a difference in the individual and his/her life. This dynamic assembly combines confidence, growth and positive attitude leaving an imprint that lasts a lifetime. The Program is an “Edu-Taining” approach to learning the secrets of being a Leader!

The program is geared for groups of children, and it really focuses on "Respect" and includes both educating (motivational themes) and entertaining (juggling, jump rope and of course...the specialty, breaking boards for all the kids).
